BENEFITS FOR YOUR BUSINESS

- **No Dealer Fees**—No sign-up costs, no sales minimums, no mandatory fee-based programs and no buy-down participation required.
- **Reach NEW Customers & Close MORE Sales**—With more ways to pay, new customer segments—including those turned down for traditional financing—can now shop your products and services.
- **Increase order values**—Studies show a 15% increase in purchase amounts when financing and alternative payment solutions are offered.
- **Drive repeat business**—Providing a pathway to purchase for all customers encourages loyalty and referrals.

Provide MORE payment options for all credit profiles.

The Terrace Finance* network of lenders offers a wide variety of traditional and alternative payment solutions across all 50 states for your customers, regardless of credit profile — *all through a single application with access to multiple lenders.*

Offering more ways to pay results in more applications from customers who would not otherwise be able to shop your store.

With Terrace Finance, you can now offer **ALL** of your customers access to payment solutions that fit their unique needs and credit profile, empowering them to **BUY MORE!**
