Authorization to Create Account

You understand that by clicking "Continue", Terrace Finance Corp ("us," "we," or "our," "Terrace") will create a user account within TerraceFinance.com (our "Website") for your sole use. You authorize us to create this account and provide you with login credentials to access the Website for your future use. If the information you have provided is already associated with an existing account, you authorize us to redirect you to login to the system under such existing account.
